## ANNEXE 10 – SEA CREST MARINE QUALITY POLICY

### QUALITY POLICY

Sea Crest Marine Services aspires to be amongst the best marine survey and certification organizations

We are committed to:

- Deliver on time and within budget
- Continually improve our performance to exceed customer expectations
- No personal injury and accidents

We will achieve this by:

- Proactive and professional response to our customer needs
- Comply with all applicable rules, standards, and conventions
- Identify and address training needs to improve employee competencies
- Frequent reviews and attention to customer feed-back to improve our quality management system
- Provide a safe and healthy workplace
- Attract and nurture competent personnel

This policy is internally communicated and understood by all, it is also available to external interested parties on demand or as appropriate
